Location: Marburg is a historical and picturesque old university town, 100 km north of Frankfurt/Main. It has 82,000 inhabitants, including 25,000 students. The camp is located on a wooded hill named "Stadtwald", in a youth-holiday-camp 5 km far from the city centre. A good bus-connection allows to go to downtown.

Special requirements: As the language course is not for absolute beginners, participants must be able already to communicate in German, at least on a level which ensures daily communication (A2).
